“ I recommend Astrix for their staffing and consulting services without hesitation. Astrix has successfully been able to provide specialized staffing and consulting services in a number of areas in our company – Technical IT, Bioinformatics/LIMS, Regulated Scientific Laboratory. Astrix works to understand the business needs in detail, then moves to recruiting, qualifying, screening, and submitting highly qualified technical individuals.

Astrix has provided top notch service, timely responses, strong customer service, and solutions that are aligned with our current and critical business needs. I highly recommend partnering with Astrix Technology Group for your hiring and consulting needs.

Flexible Staffing Options

We are able to meet your unique hiring needs with the following options:

Temporary Staffing - Hiring temporary staff is a solution to reduce fixed costs or help get your business through the ups and downs.

Temp To Hire - Evaluate prospective employees on-the-job before committing to a full-time hiring decision. Astrix's temp-to-hire service will help you reduce attrition and improve your cost-to-hire ratios.

Direct Hire - Continue to focus on your core business. Astrix will identify and recruit your ideal candidates in the market.
